## STUDENTS FROM DR. TKACIK'S SCIENCE CLASS VISIT DR. SHULMAN'S LAB AT HER COMPANY, CERALINK.

RCA students tour Dr. Shulman's lab at Ceralink. Ceralink is a technology commercialization company specializing in materials consulting, R&D, microwave technology and scale up, materials analysis, and

lean green engineering. The staff at Ceralink are experts in Ceramic Engineering & Materials Science. Dr. Shulman had students perform labs with various materials, and she reviewed their classwork and labwork.

# STUDENTS SHARE ABOUT THEIR COUNTRIES, RCA'S AWARDS PRESENTATION, & COMMUNITY HELPER DAY

Students present Multicultural Day at RCA's Awards program. Below: Bastien M. from Belgium and Charles M. from Sudan share experiences from their home countries.

Students receive awards for their accomplishments in class. To the right from top to bottom: Primary, Elementary, and Junior High classes are acknowledged.

*Redemption Christian Academy started off as a day school with the majority of the student body coming from Redemption Church of Christ and other local churches.*

*Less than five years later, RCA welcomed its first boarding students.*

*Since then, RCA has welcomed students from around the world.*

Pre-K students dress up for Community Helper Day. Left to right: Immanuel, Selah, Zipporah, and Shiloh. To the right: Cousins are having fun!

*RCA offers a complete educational experience that focuses on spiritual, academic, and athletic growth.*

*It is to the student's advantage to partake of the diverse programs and activities available at RCA.*

*The unique educational experience afforded to students is why Redemption Christian Academy is more than a school, it's preparation for life.*

## RCA LIONS BASKETBALL TEAM 2011-2012 SEASON

RCA Lions sign their scholarship letters. Above left to right: Isaiah G. and Bastien M. sign with the University of Tampa in Florida, and Sterling S. signs with Coppin State in Maryland.

To the right: RCA Lions in Sarasota Florida for the IMG tournament play a post-tournament game with Impact.

Bottom left: RCA Lions compete against Notre Dame Prep.

Bottom right: RCA Lions win championship in Albany tournament.

# STUDENTS PARTICIPATE IN PRACTICAL TRAINING PROGRAM AND LEARN VALUABLE SKILLS.

### About RCA's Work Study Program

Learning is an ongoing process that is developed and cultivated beyond the classroom walls. "RCA is more than a school; it's preparation for life." Through practical training, students gain relevant skills in a variety of areas, which can be applied to their future.

*"This institution does not exist for your education alone; it does not exist for your comfort and happiness altogether, although those things are important, and we keep them in mind; it exists that we may give you intelligence, skill of hand, and strength of mind and heart; and we help you in these ways that you, in turn, may help others. We help you that you may help somebody else, and if you do not do this, when you go out from here, then our work here has been in vain."*
